

Congratulations on turning 65! My name is and I am a local licensed Medicare Agent. I am reaching out to seniors who are turning 65 because it is my job to assist clients in choosing the plan that best fits their needs. With so many options, it can be very overwhelming trying to choose the right health insurance plan. As an advisor, I would like to offer my help to you.

I have spent many years educating clients and helping them manage out-of-pocket health care costs. I represent the top health plans in the area and would be glad to assist you in choosing the best plan with the lowest premium.

Helping clients navigate their healthcare options is my profession and I would be happy to meet with you to explain the basics of Medicare and discuss your needs. If you or a family member are eligible for Medicare, I would be glad to set up an appointment to discuss your options. You are welcome to bring anyone who helps you make your health care decisions. There is no cost or obligation. I look forward to hearing from you!
